HOUSEHOLD SCISSORS & TAILOR SHEARS

TIJERAS PARA USO
DOMÉSTICO Y PARA SASTRES

We feel great pleasure to write that we are market leader in our industry for household & tailor shears.

We have the capacity to produce over 25000 units of household scissors per month and it's increasing every year.

Our household Scissors are excellent in quality and very competitive in price thus making it the right choice for mass merchandise and we offer a lot of different packing options for this range of scissors which are ideal for retail stores.

We are the first company to offer Forged tailor shears from Pakistan which are equally loved by our customers all over the world and we look forward to improve with every passing day.

Our line of Casted tailor shears will also be available for the price conscious segment of market.

TWEEZERS PINZAS

BACKHAUS INTERNATIONAL offers state of the art and one of the finest tweezers. Our professional range includes tweezers which are produced from non-magnetic stainless steel.

Our professional range of tweezers is feather light and yet provide non slip grip. Our standard range of Tweezers are very competitive in terms of price for the mass merchandise distribution. Tweezers are available in different colors and different tip styles to be used in different operations.
